

To see and do in Monaco!

Museum

With a world-wide reputation, [the Musée Océanographique de Monaco](#) is dedicated to all marine sciences. Its collections of marine fauna collected by Prince Albert 1st are invaluable. Its famous "Aquarium" where the rarest species of fish in magnificent shapes and colours swim about in 90 pools, offers a grandiose spectacle. Its latest creation, the "Shark Lagoon", a giant pool of 450 cubic metres, reveals the diversity and extraordinary colouring of the coral reef and the creatures which populate it.

Markets

On the market of Condamine on Place des Armes you will find a lot of fruits, vegetables and herbs. This market is existing since 1880 and is always very busy. You can also buy a lot of nice souvenirs.

Monte Carlo Casino

In Monte Carlo at the Place du Casino you will find the [Monte Carlo Casino](#), one of the most famous and most exclusive in the world. At this square you will also find the famous and expensive hotel de Paris with its Café de Paris. Very nice to see!

Every day another beach:

NICE

Nice has a couple of modern beaches, like HI-Beach. This beach is designed by Matali Crasset.

CANNES

Here you will find a lot of private beaches. But Cannes is wonderful to sun for a while and then enjoy a lunch on the wonderful terraces.

LES ISSAMBRES

In the center of les Issambres lies a very cosy family beach. It is a small beach but it is very nice. After enjoying the sun you can enjoy a nice moules aux frites
