

[Skiing at the French Riviera!](#)

The Côte d'Azur has skiing areas worth visiting in winter months, but sometimes in summer as well. Below you will find information about the different areas.

Gréolières-les-Neiges

From all skiing areas in the south of France this one is nearest to the coast. At 27 kilometres (17 miles) from Grasse and 38 kilometres (24 miles) from Cannes. There are 15 ski pistes at an altitude between 1400 and 1800 metres, with a total length of some 30 kilometres (18 miles). Apart from that, this area is a wonderful place for walks in summer.
